

- + One of the highest recycled contents available of any commercial insulation
- + Conserves energy, reduces greenhouse gas emissions
- + Each year over 75,000 tons of waste slag is recycled to make our insulation

Product	Recycled Content Options	
	Standard Recycled Content	EPA Choice Fiber (U.S. Government Buildings)
FireSpan® 40 & 90	70%	75%
Safing™ Insulation	70%	75%
SAFB™ Insulation	70%	75%
RainBarrier® 45 & HD	70%	75%
VersaBoard® Insulation	70%	75%
UltraBatt™ Insulation	70%	
SoundZero® Insulation	75%	

LEED® v2009 Green Building Credits
